

NEW PATIENT REGISTRATION PACK **ADULTS (18+)**

What you need:

- Identification/ Proof of Address e.g. Drivers Licence or a Letter with the adult's name and registering address.
- NHS Number – you can get this over the phone from your previous GP.
- List of any medications currently taking – there could a delay on providing you next repeat prescriptions without this. We accept a brief summary from your previous surgery, the white part of your latest prescription and a printout from your pharmacy.
- BP Reading – Please use the BP machine in reception and hand the printout to reception with your registration forms.
